RECLAIMER TECHNOLOGY

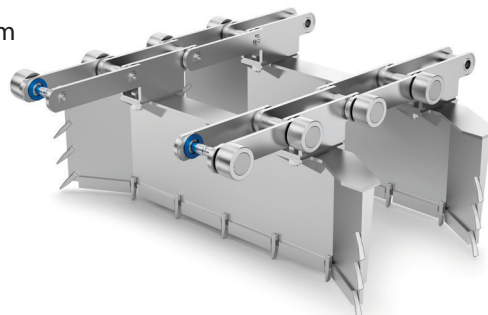

ABOUT KÖBO

KÖBO is one of the leading German manufacturers for engineered class chains and sprockets. KÖBO has been providing customized high-quality chains, sprockets and accessories for the Bulk Handling Industry for over 120 years.

TECHNICAL ADVANTAGES:

- Sealed joint or grease fitting technology
- Inside or outside roller technology
- Bent, welded or rake-style attachments
- Sprockets in solid, split and segmented execution
- E.g. 9, 10 or 12 inch pitch chains
- E.g. 200 mm, 250 mm, 315 mm, 400 mm and 500 mm pitch chains

RECLAIMER TECHNOLOGY

KÖBO has the widest range of reclaimer chains in the market. We offer imperial and metric designs to OEMs and plants across the US and Europe.

Part of our portfolio is to re-engineer solutions for an extended lifetime of chain and sprocket and less downtime in the daily operation.

ADDITIONAL MATCHING PRODUCTS:

For the convenience of our customers, we also manufacture additional parts in the system such as: rakes, scrapers and sprockets. All parts are virtually pre-assembled in CAD to avoid mismatching during installations.
