

WOOD AND BIOMASS CHAINS

ABOUT KÖBO

KÖBO is one of the leading German manufacturers for engineered class chains and sprockets. KÖBO has been providing customized high-quality chains, sprockets and accessories for the Biomass Industry for over 120 years.

M-STYLE CHAIN

KÖBO designs solutions to minimize wear and tear caused by exposure to environmental elements.

OUR SOLUTIONS:

Increased bearing areas

Special hard-chromed steels

Stainless steel joints

Improved attachment styles

WELDED STEEL CHAINS

Welded steel chains are designed for tough applications. KÖBO chains are manufactured with robotic welding of the barrels and link plates to ensure the chains withstand shock loads and abrasive conditions.

WE DESIGN CHAINS, SPROCKETS AND ATTACHMENTS FOR:

- Debarking and log sorting
- Saw mill and chip handling
- Planing lines and packaging
- Plywood and chipboard production
- Wood chip handling in pellet mills
